

# JUNE IN THE HEART OF PROVENCE

5-10 June 2024

MY FRENCH  
COUNTRY HOME

# WELCOME TO PROVENCE!

We invite you to a wonderful week in Provence, where you not only get to explore the perched stone villages, gorgeous markets, lavender fields, delicious meals cooked from scratch and French antique fairs, but you also get to relax, design with flowers and - if you wish - get creative.

The tour is led by Sharon Santoni and Lucy Hunter. They both have their own experience of reinvention and creativity.

We really hope you'll be able to join us on this exciting new tour and we look forward to sharing new addresses and introducing you to one of our favorite regions of France.

Lucy The Flower Hunter

# LET'S HELP YOU TO BE INSPIRED!

We are delighted to be teaming up again with Lucy Hunter for this special trip. Lucy is a best-selling author, extraordinary floral stylist, an award-winning landscape designer and a gifted artist.

Lucy will tell us how she finds inspiration from the landscape and nature to inform her floral art, her photography and her writing. She'll also share her passion for sustainable and seasonal living.

Sharon has her own tale of reinvention. As an entrepreneur with a busy schedule, she knows how vital it is to make time to be creative, via gardens, flowers, photography and everyday styling.

# HOW WILL THE WEEK BE STRUCTURED?

Because we want you to feel free to experience the week of your dreams, we are creating an itinerary with some flexibility. The scheduled itinerary will include touring the region; garden visits; antique buying; spectacular meals; wine and champagne and flower arranging.

Lucy will also be on hand to offer tips on photography and painting. And if there is a day when you just want to wind down, and soak in the beauty, that's fine!

You're welcome to find your own inspiration on a walk in the surrounding Provence countryside. Alternatively, book yourself a massage; take a yoga class, or read by the pool. Inspiration comes in the quiet moments too!
